HEAR THE TRUTH.

For the last month the Republican and Democratic daily papers have so grossly and maliciously misrepresented the People's Party and our committees that I am compelled to issue this notice to our people. Between now and the November election you may look for anything in the way of false reports, deals, and sellouts, of which they will accuse the People's Party. They know that we have but few daily papers and they reach but a limited number of our people, and our means to contradict their misrepresentations at best is only a feeble one. The last fake that was wired from here was that I received a telegram from Indianapolis to go there in haste, as there was a big deal on hand. I knew nothing about this until it was shown to me in print the next day. The whole story is a base lie and falsehood. I was invited to go to Indianapolis by H. Vincent, secretary of the State committee, which I did, and they used this visit on which to base this false report. I wish the people would bear in mind that I am just as unable to prevent the press from circulating these reports as General Weaver was unable to secure free speech and decent treatment from the Democrats in Georgia. I regret to say that we have timid and weak-hearted people in our ranks, whose minds are disturbed by these reports, and as I have neither time nor inclination to refer to this again, I want to say that I don't want to be held responsible for anything published unless it appears over mine own signature. I do this to protect myself and warn our friends against anything that may be published between now and the November election.

H. E. TAUBENOR.

Harrison told us in an open letter some years ago, that he would not accept a second term as President of the United States, for the reason that he did not believe in it. Grover Cleveland told us the same thing in as many words, and gave the same reason.

Harrison endorsed a platform with a free coinage plank in it and Cleveland did likewise. Both men are now breaking their necks to plunk into the President's chair and both are now opposed to free coinage and silver. This makes twice that they have gone back on their utterances and we have no proof that either will keep a promise or live up to a declaration. Don't give them another chance to stuff us, but go to the ballot box and vote for James B. Weaver, a candidate of the people who is the only Presidential champion of the silver dollar.

The jury in the Bruner case in San Francisco dine at the Baldwin and sleep in the best rooms in the house. What wonder is it that they have no verdict.

They ought to get a dose of the kind of hospitality Carson jurymen receive—stay up till 2 A. M. and tell fish stories. This kind of treatment brings quick verdicts.

A. Livingston now practically controls the wholesale liquor trade of the city. He is continually adding to his stock and sells only standard brands. He is also introducing some excellent California wines to the people of Carson, as well as foreign and domestic cigars of the finest quality. Drop in and inspect his stock. d 13 tf
